**PETITION TO CONVERT APPLICATION UNDER 37 C.F.R. §1.182**

The undersigned hereby petitions that the above-identified application be converted from a national stage application which was filed under 35 U.S.C. §371 to a national application filed as a continuation under 35 U.S.C. §111(a) claiming a right to priority under 35 U.S.C. §365(c) and 35 U.S.C. §120, and that the application be accorded a claim to priority and the benefit of the filing date under 35 U.S.C. §119(a)-(d) of the foreign priority applications originally designated in the Application Data Sheet filed with the application.

Copies of the Electronic Acknowledgment Receipt and the Application Data Sheet are attached. Petitioner notes that the electronic designation made at the time of electronic filing was erroneous and that no Form PTO-1390 transmittal or similar instructions were included with the papers that were electronically submitted. Further, all of the original papers filed with the application, which was clearly filed in a form different than that of the PCT application, demonstrate applicant's intention of seeking entry into the national phase under Section §111(a).

The petition fee (\$400.00) should be charged to Deposit Account 04-2223. However, if any additional fees are necessary, the Office is authorized to charge any such fee deficiency against the foregoing Deposit Account.

Respectfully submitted,

Dated: November 3, 2006
